What is it they want to show us
What is it they do in our downtown
What would we have any influence over
Another worthless government agency we can't control

Subject: Request Feedback on Courthouse Project / Presentation at Next Board Meeting

Board Members,

The Department of Public Works has reached out to us and requested to attend our next board meeting and give a presentation.

I wanted to give you an opportunity beforehand to perhaps either gather your thoughts or even give me your feedback in writing ahead of time and I can pass along the information.

Best regards,

Lorena Parker
